## **12-29 - Schedule.**

The fee for each license or permit provided anywhere in this Code shall be the amount shown in the following schedule. The section numbers inserted in this schedule indicate sections of this Code where relevant regulations appear:

### **A. Amusements (Sections 12-66—12-71, 12-220—12-224, 12-458 —12-469):**

**1. a. Amusement center license (Section 12-67 B.), per establishment, five or more devices.....\$210.00**

**b. \$32.00 per device. Every amusement device requires a separate license. Every owner and possessor of an amusement device shall pay a \$32.00 per device annual license fee for the first 20 amusement devices per premises, with a maximum annual aggregate per device license fee of \$640.00 per premises. The per device annual license fee shall be paid by all owners and possessors of amusement devices whether or not the premises constitutes an amusement center, and shall be paid in addition to the amusement center license fee, as applicable.**

**c. Such fees shall not be apportioned, regardless of the date on which such license may be issued.**

**2. Each circus, menagerie, dog and pony show, carnival or other outdoor amusement of similar character (Section 12-66—12-70) Carnival regulations appear in Section 22-8 of this Code:**

**a. If not more than 25 cars are used in transportation, per day.....\$80.00**

**b. If more than 25 cars but less than 50 cars are used in transportation, per day.....\$100.00**

**c. If more than 50 cars are used in transportation, per day.....\$140.00**

**3. Each concert, vaudeville, minstrel, theatrical or musical entertainment given under a covering of canvas, per day.....\$20.00**

**4. Merry-go-rounds and all other exhibitions, entertainment performances and amusements, such as miniature golf courses, driving ranges, pony rides, and trampolines open to the public, per day.....\$3.00 or \$14.00 per week not to exceed \$70.00 per year.**
